- 1) This show is a Music for All Affiliated Event, stacked with great bands, the judging panel is outstanding, and with a good performance we should get a good “read” on where we are with our show as we go into ISU.
- 2) Bring \$\$ for food...you should have time to eat a little something before you get dressed, but I strongly suggest bringing something to eat prior to our departure.
- 3) We are NOT stopping for restroom breaks going up or coming back, so BE AWARE.
- 4) This show is based on Band size. I included school enrollments for your information and thought process. It’s not about how many people are on the field, or how big the school is, it’s WHO YOU ARE and WHAT YOU DO that matters.
- 5) **Everybody All The Time**
